

CONTRACTOR'S HYDRONIC (PLUMBING) PERMIT- Plans & Documents Requirements Checklist

PL1220 (R2014-05)

Trade Permit Number: _____

The status of your permit is pending approval because it requires plans and documents to be submitted, reviewed and approved prior to issuing the permit. Work on this job should not commence until the permit is issued.

REQUIRED PLANS/DOCUMENTS

The following information is required for a thorough evaluation and timely decision on your submitted plans and documents. To help with your submission, check all the required documents listed below:

- Plans / documents prepared by Professional Engineer or Certified Designer
- Checklist

IMPORTANT

Plans and documents submitted must adhere to applicable codes, standards and regulations

INSTRUCTIONS

To expedite the review and approval process, and to enable us to provide you with a high level of customer service, please ensure that:

- Plans and documents submitted are clear, legible and precise
- Plans and documents are prepared to professional drafting standards
- All required plans and documents are submitted at the same time, including a completed copy of this checklist
- Checklists may be updated periodically. Please ensure you have the most recent version by clicking on the link included in your permit confirmation email
