(6) *The City* may, in its sole discretion, respond to *RFIs* received after the deadline set out in the *Timetable*, if, in the opinion of *The City*, the inquiry raises a significant issue that needs clarification. *The City* will not respond to inquiries received after the *Submission Deadline*.

(7) *The City's* responses to *RFIs* do not amend the *RFP Documents* unless subsequently confirmed by way of an *Addendum* to the *RFP Documents* issued in accordance with Section 3.6.

(8) Prior to the *Submission Deadline*, if a *Proponent* wishes to contact *The City* on matters relating to its *Proposal*, the *RFP Documents* or the *RFP Process*, it will contact the *City Contact* electronically through *SAP ARIBA*. (2) Neither the *Proponents* nor the *Proponent Team Members* or any of their respective *Advisors*, employees, or representatives are permitted to make any public comment, respond to questions in a public forum, or carry out any activities to either criticize another *Proponent* or *Proposal*, or to publicly promote or advertise their own qualifications, interest in or participation in the *RFP Process* without *The City's* prior written consent, which consent may be withheld in *The City's* sole discretion. Notwithstanding this Section 3.3.3(2), *Proponents*, and *Proponent Team Members* are permitted to state publicly that they are participating in the *RFP Process*.

The approximate date of *Commercially Confidential Meetings* is set out in the *Timetable*. While attendance at *Commercially Confidential Meetings* is not mandatory, *Proponents* are strongly encouraged to attend. A *Proponent's* failure to attend a *Commercially Confidential Meeting* is at the *Proponent's* own risk and responsibility.

(3) If *The City* holds *Commercially Confidential Meetings* and a *Fairness Monitor* has been appointed for the *RFP Process*, the *Fairness Monitor* will attend such *Commercially Confidential Meetings*.

(4) For all *Commercially Confidential Meetings*, each *Proponent* will provide *The City* with an agenda and a list of attendees at least 5 *Business Days* in advance of each meeting. *The City* may provide *Proponents* with comments on the agenda and a list of any prioritized items *The City* would like to discuss.

(5) Nothing stated or disclosed by *The City* at the *Commercially Confidential Meetings* will be binding on *The City*, nor will any such statement or disclosure change, modify, amend, or waive the requirements of the *RFP Documents* in any way, unless subsequently confirmed by way of an *Addendum* to the *RFP Documents* issued in accordance with Section 3.6.

(6) By their attendance at the *Commercial Confidential Meetings*, the *Proponent*, *Proponent Team Members*, and any of their attendees at *Commercially Confidential Meetings* acknowledge and agree that:

- (a) any statement made at a *Commercially Confidential Meeting* by *The City* or any of its *Advisors* or representatives is not and will not be deemed or considered to be an indication of a preference by *The City* or a rejection by *The City* of anything said or done by the *Proponent*, *Proponent Team Member*, or any of their attendees;
- (b) any statement made at a *Commercially Confidential Meeting* by *The City* or any of its *Advisors* or representatives cannot and will not be relied upon in any way by the *Proponent* or *Proponent Team Member* for any purpose, including any purpose in connection with the *RFP*, the *Sample Contract Letter*, the *Project* or otherwise, except and only to the extent expressly confirmed by *Addendum* in accordance with Section 3.6, provided that *The City* will not be under any obligation to confirm any information by *Addendum*;
- (c) *The City* may share process-related information, including clarifying information, with all *Proponents* if the need arises; and
- (d) the *Proponent*, each *Proponent Team Member*, and their attendees:

  - (ii) waive any and all rights to contest and/or protest the *RFP* and the processes and guidelines set out, including the *Commercially Confidential Meetings*, based on the fact that *Commercially Confidential Meetings* occurred or on the basis that information may have been received during a *Commercially Confidential Meeting* by another *Proponent*, another *Proponent Team Member*, or their attendees that was not received by the *Proponent*, the *Proponent Team Member(s)*, or attendees; and
  - (iii) agree that the *Proponent*, *Proponent Team Members*, and their attendees must treat information received at a *Commercially Confidential Meeting* as *Confidential Information*.

### 3.5 Changes to Proponents or Proponent Team Members

(1) *Proponents* will ensure that there is no change to its *Identified Proponent Parties* without prior written consent from *The City*.

(2) If *The City*, in its sole discretion, considers a proposed change to a *Proponent's Identified Proponent Party* to be acceptable, *The City* may consent to the change. Such consent may be subject to such terms and conditions as *The City* may require, in its sole discretion. If a proposed change is not acceptable to *The City*, the *Proponent* may propose an alternate change for review by *The City* in the same manner as the first proposed change. *The City* may, in its sole discretion, disallow any actual or proposed change.

(3) In the case of a change to *Identified Proponent Parties* made without consent by *The City*, *The City* may, in its sole discretion, disqualify the *Proponent* and terminate the *Proponent's* continued involvement in the *RFP Process* or allow the *Proponent* to continue under such terms and conditions as *The City*, in its sole discretion, may require.

(4) If, at any time prior to the *Effective Date*, and notwithstanding any other provision in the *RFP Documents*, a *Proponent* or *Proponent Team Member* acquires control of another *Proponent* or *Proponent Team Member* (as "control" is described in section 2(2) of the *Business Corporations Act* R.S.A. 2000, c. The approximate final date that *The City* will issue an *Addendum* in respect of the *RFP Documents* is set out in the *Timetable*.

(2) *The City* will issue *Addenda* by placing them on SAP ARIBA.

(3) *Proponents* are solely responsible to ensure that they have received all *Addenda* issued by *The City*. *Proponents* may seek confirmation of the number of *Addenda* issued under the *RFP* from the *City Contact* through SAP ARIBA. The *Proponent* must confirm in its *Proposal Submission Form* that it received all *Addenda* during the *RFP Process* and the *Proponent* must acknowledge that the contents of the *Addenda* form part of the *RFP Documents*.

### 3.7 Freedom of Information, Confidentiality and Copyright Matters

#### 3.7.1 Freedom of Information and Protection of Privacy Act

(1) *Proponents* are advised that:

- (a) *The City* may be required to disclose the *RFP Documents* and a part or parts of any *Proposal* or any other records relating to the *RFP* pursuant to FOIP;

- (b) *The City* may disclose *Proposals* and other *Confidential Information* about *Proponents* to its *Advisors* engaged in connection with the *Project*, including to the *Fairness Monitor*; and
- (c) *FOIP* may provide protection for confidential and proprietary business information. *Proponents* are strongly advised to consult their own legal *Advisors* as to the appropriate way in which confidential or proprietary business information should be identified in their *Proposals*.

(2) Subject to the provisions of *FOIP*, *The City* will use reasonable commercial efforts to safeguard the confidentiality of any information identified by a *Proponent* as confidential but will not be liable in any way whatsoever to any *Proponent* or *Proponent Team Member* if such information is disclosed based on an order or decision of Alberta's Office of the Information and Privacy Commissioner or otherwise as required under *Applicable Law*.

### 3.7.2 Confidentiality Agreements

(1) No later than 5 *Days* after a request by *The City*, *Proponents* and *Proponent Team Members* must cause each of their employees, representatives, and *Advisors* who are in receipt of *Confidential Information*, to execute and deliver to *The City* a confidentiality agreement in a form prescribed by and with terms and conditions acceptable to *The City*, in its sole discretion.

### 3.7.3 Confidential Information

- (1) By accepting receipt of *Confidential Information*, the *Proponent* agrees that:
  - (a) all *Confidential Information*:
    - (i) remains the sole property of *The City* and the *Proponent* will treat it as confidential;
    - (ii) will not be used by the *Proponent* for any purpose other than developing and submitting a *Proposal* in response to the *RFP Process* or the performance of any subsequent agreement with *The City* relating to the *Project*;
    - (iii) will not be disclosed by the *Proponent* to any *Person* who is not involved in the *Proponent's* preparation of its *Proposal* or the performance of any subsequent agreement with *The City* relating to the *Project*, without prior written consent of *The City*; and
    - (iv) will not be used in any way that is detrimental to *The City*;
  - (b) if requested by *The City*, all *Confidential Information* must be returned by the *Proponent* to *The City* no later than 10 *Days* after that request;
  - (c) each *Proponent* will be responsible for any breach of the provisions of this Section 3.7.3. by any *Person* to whom it discloses the *Confidential Information* including, for greater clarity, the *Proponent's* employees, representatives, *Advisors* and the *Proponent Team Members* and their employees, representatives and *Advisors*;
  - (d) each *Proponent* indemnifies *The City* and its councillors, consultants, employees, agents, and representatives and save each of them fully harmless from and against any and all loss, cost, damage, expense, fine, suit, claim, penalty, demand, action, obligation, and liability of any kind or nature (including, without limitation, professional fees on a full indemnity basis) suffered or incurred by any of them arising as a result of

or in connection with any breach of any of the provisions of this Section 3.7.3 by the *Proponent* or by any *Person* to whom the *Proponent* has disclosed the *Confidential Information*;

- (e) if a *Proponent*, a *Proponent Team Member* or any of their respective *Advisors*, prior to or following submission of the *Proponent's Proposal*, discovers a breach of any of the confidentiality obligations set out in Sections 3.7.2 or 3.7.3, the *Proponent* will promptly disclose all information with respect to such breach to the *City Contact*;
- (f) a breach of the provisions of this Section 3.7.3 would cause *The City* to suffer loss that could not be adequately compensated by damages, and that *The City* may, in addition to any other remedy or relief, enforce any of the provisions of this Section 3.7.3 upon application to a court of competent jurisdiction for injunctive relief without proof of actual damage to *The City*;
- (g) notwithstanding anything else to the contrary in the *RFP Documents*, the provisions of this Section 3.7.3 will survive any cancellation of the *RFP Process* and the conclusion of the *RFP Process* and, for greater clarity, will be legally binding on each *Proponent*, whether or not it submits a *Proposal*.

(2) The confidentiality obligations of the *Proponent* do not apply to any information that falls within the following exceptions:

- (a) information that is lawfully in the public domain at the time of first disclosure to the *Proponent*, or which, after disclosure to the *Proponent*, becomes part of the public domain other than by a breach of the *Proponent's* confidentiality obligations or by any act or fault of the *Proponent*;
- (b) information which was in the *Proponent's* possession prior to its disclosure to the *Proponent* by *The City*, and provided that it was not acquired by the *Proponent* under an obligation of confidence; or
- (c) information which was lawfully obtained by the *Proponent* from a third party without restriction of disclosure, provided such third party was at the time of disclosure under no obligation of secrecy with respect to such information.

#### 3.7.4 Copyright and Use of Information in Proposals

(1) *Proponents* must not use or incorporate into their *Proposals* any concepts, products or processes that are subject to copyright, patents, trademarks or other intellectual property rights of third parties unless the *Proponents* have, or will procure through licensing without cost to *The City*, the right to use and employ such concepts, products, and processes in and for the *Project*.

(2) All requirements, designs, documents, plans, and information supplied by *The City* to the *Proponents* in connection with the *RFP* are and will remain the property of *The City*. Upon request of *The City*, all such designs, documents, plans, and information (and any copies thereof in any format or medium created by or on behalf of the *Proponent*) must be returned to *The City*.

### 3.8 **Conflict of Interest and Ineligible Persons**

#### 3.8.1 Conflict of Interest

(1) If a *Proponent*, a *Proponent Team Member*, or any of their respective *Advisors*, prior to or following submission of the *Proponent's Proposal*, discovers any *Conflict of Interest*, the *Proponent* must

promptly disclose the *Conflict of Interest* to *The City* in a written statement to the *City Contact*. This obligation continues until the end of the *RFP Process*.

(2) *Proponents* must disclose in the *Proposal Submission Form* all *Conflicts of Interest* whether or not the *Conflict of Interest* has been disclosed to *The City* prior to the submission of *Proposals*.

(3) At the request of *The City*, the *Proponent* will provide *The City* with the *Proponent's* proposed means to mitigate and minimize to the greatest extent practicable any *Conflict of Interest*. The *Proponent* will submit any additional information to *The City* that *The City* requests from the *Proponent* because *The City*, in its sole discretion, considers the information necessary to properly assess the *Conflict of Interest*.

(4) *The City* may, in its sole discretion, exclude any *Proponent*, *Proponent Team Member*, or their *Advisors* from participating in the *RFP Process* on the grounds of *Conflict of Interest*.

(5) Without limiting the generality of Section 3.8.1, *The City* may, in its sole discretion, require the *Proponent*, *Proponent Team Member*, or their *Advisors* to substitute a new *Person* for the *Person* giving rise to the *Conflict of Interest* and the provisions of Section 3.5 will apply to such substitute.

(6) *The City* may, in its sole discretion, waive any *Conflict of Interest*. A waiver may be upon such terms and conditions as *The City*, in its sole discretion, requires to satisfy itself that the *Conflict of Interest* has been appropriately managed, mitigated, and minimized, including requiring the *Proponent* to put into place such policies, procedures, measures, and other safeguards as may be required by and be acceptable to *The City*, in its sole discretion, to manage, mitigate, and minimize the impact of such *Conflict of Interest*.

### 3.8.2 Ineligible Persons

(1) The *Ineligible Persons* listed in the *Information Table*, as well as their employees, former employees who have any information relating to this *Project*, *Affiliates*, and any of their subcontractors, *Advisors*, consultants, or representatives engaged in respect of this *Project*, are not eligible to participate as a *Proponent*, *Proponent Team Member* or *Key Personnel*. Further, they may not advise or assist a *Proponent* or a *Proponent Team Member* in any way in relation to the *RFP Process* or the *Project*.

(2) *The City* may, in its sole discretion, amend the *Ineligible Persons* list in the *Information Table* from time to time during the *RFP Process*.

(3) A *Proponent* may seek *The City's* permission to allow an *Ineligible Person's* *Affiliate* or former employee to participate as a *Proponent Team Member*, *Key Personnel* or *Advisor* to the *Proponent*. To request permission, a *Proponent* must submit a request for permission to the *City Contact* as early as possible that includes the following:

- (a) the full legal name of the *Ineligible Person*, plus the full legal name of the *Affiliate* or former employee that the *Proponent* wishes to include on its team or as a *Proponent Team Member*, *Key Personnel*, or *Advisor* to the *Proponent*;

- (d) a description of the policies and procedures that will be put in place to manage or mitigate the impact of any potential *Conflict of Interest*.

(4) Upon receipt of a request pursuant to Section 3.8.2(3), *The City* will, in its sole discretion, make a determination as to whether:

- (a) it considers there to be a *Conflict of Interest*; and
- (b) the *Conflict of Interest* can be managed, mitigated, or minimized.

(5) If *The City* has determined, in its sole discretion, that an *Affiliate* or former employee of an *Ineligible Person* or *The City* has a *Conflict of Interest*, the impact of which cannot be properly managed, mitigated or minimized, *The City* will add the name of the *Affiliate* or other *Person* to the *Ineligible Persons* list by *Addendum*.

(6) *The City* may, in its sole discretion, waive the ineligibility of a potentially *Ineligible Person*, an *Affiliate* or former employee on such terms and conditions as *The City*, in its sole discretion, may require.

- (a) Commercial General Liability insurance, having an inclusive limit of not less than **\$5,000,000** for each occurrence or accident and covering all sums which the *Proponent*, a *Proponent Team Member* or any of their respective representatives may become legally obligated to pay for damages as a result of bodily injury (including death at any time resulting there from) sustained by any *Person* or *Persons* or because of damage to, destruction of, or loss of use of property caused by an occurrence or accident arising out of any operations or activities carried out in connection with the *RFP* or *RFP Process*. The policy or policies must include:
  - (i) Motor Vehicle Liability insurance, in the amount of \$2,000,000 per accident, for vehicles used by *Proponents* or *Proponent Team Members* (or their respective directors, officers, employees, consultants, *Advisors*, agents and representatives) while on or at the *Project Site*, or at any facilities or premises of *The City*.

(2) As a condition of allowing access to the *Project Site*, or to the facilities or premises of *The City*, *The City* may, in its sole discretion, require *Proponents* to provide a certificate of insurance acceptable to *The City* evidencing that the insurance required by Section 3.10.1(1)(a) is in place.

(3) All insurance policies required to be maintained by *Proponents* must provide that the insurance will not be cancelled, or materially changed to restrict coverage without the insurer endeavouring to give at least 30 Days prior written notice to *The City*.

(4) *Proponents* are responsible for all deductibles that may apply in any of the required insurance policies pursuant to this Section 3.10.

(5) By participating in the *RFP Process*, the *Proponent* confirms that *The City's* insurance requirements will not be construed to and will not, in any manner, limit or restrict the liability of the *Successful Proponent*.

### 3.10.2 Applicable Law and Insurance during the RFP Process

(1) As a condition of allowing access to the *Project Site*, or any facilities or premises of *The City*, *The City* may, in its sole discretion, require *Proponents* to provide evidence acceptable to *The City* that:

### 4.1 Proposal Submission

(1) Each *Proponent* must submit its *Proposal* on or before the *Submission Deadline*. For the purposes of the *RFP*, the determination of whether the *Proposal* has been submitted on or before the *Submission Deadline* will be based on the time and date recorded by *SAP ARIBA*. *Proposals* will not be accepted after the *Submission Deadline*.

(2) *Proponents* must submit *Proposals* electronically on *SAP ARIBA*. The electronic copy as submitted on *SAP ARIBA* and downloaded by *The City* will be the "Original Copy" of the *Proposal*. The receipt provided electronically by *SAP ARIBA* upon submission of a *Proposal* will indicate the date and time of submission and serve as confirmation of submission.

(3) *Proponents* should allow sufficient time to upload *Proposals* and to resolve any issues that may arise regarding the electronic submission prior to the *Submission Deadline*. Each *Proponent* is solely responsible to ensure that the *Proposal* is submitted prior to the *Submission Deadline* and that the uploaded *Proposal* is not defective, corrupted, or blank and that the submitted documents can be opened and legibly viewed by *The City*.

(4) *The City* may reject any *Proposal* where any documents contained in the *Proposal* cannot be opened or legibly viewed by *The City*. *Proposals* will not be opened publicly.

(5) As further set out in Section 6.2.1, each *Proposal* must include a duly signed *Proposal Submission Form* (Appendix B).

(6) For clarity, a "duly signed" *Proposal Submission Form* includes a *Proposal Submission Form* that is signed with a handwritten signature or, pursuant to the *Electronic Transaction Act* S.A. 2001, c.E-5.5, an *Electronic Signature*.

(7) By submitting a *Proposal Submission Form* with an *Electronic Signature*, the *Proponent* is deemed to consent to use and acceptance of such *Electronic Signature* and acknowledges that such *Electronic Signature* will have the same force and effect as a handwritten signature.

- (b) after the *Submission Deadline*, by sending a written notice of withdrawal, signed by an authorized representative of the *Proponent*, to the *City Contact*.

#### 4.3 Entities Permitted to Submit Proposals

(1) If an *RFPQ Process* preceded this *RFP Process*, subject to Section 3.5, only the *Prequalified Parties* are eligible to participate in this *RFP Process*.

(2) If there was no prequalification process and the *RFP Process* is open to all *Proponents*, a *Proposal* may be submitted by:

- (a) a single legal entity; or
- (b) a *Proponent Team* through the *Lead Proponent*.

(3) Each *Proponent Team* must submit, as part of its *Proposal*, a *Proponent Team Declaration* in the form set out in Appendix D.

(4) If an agreement is executed between *The City* and a *Proponent Team*, *The City* may, in its sole discretion, require parent companies of the entities forming the *Proponent Team* to be parties to the agreement or jointly and severally guarantee the obligations of the *Proponent Team*.

### Section 5 - PROPOSAL FORM AND CONTENT REQUIREMENTS

#### 5.1 Format and Content of the Proposal

(1) *Proponents* will submit *Proposals* in accordance with the requirements and instructions set out in Appendices B to D, and Appendices F and G to the *RFP* and in accordance with the *Timetable*. *Proposals* must be submitted in English.

(2) *Proponents* must submit *Proposals* as follows:

- (a) Part A – *Proposal Submission Form* (Appendix B), *Proponent Team Declaration Form* (Appendix D) (where applicable), and Reference Form (Appendix F) (where applicable) completed according to the instructions contained in each form, and, where applicable, signed by an authorized representative of the *Proponent*;

- (b) Part B - *Technical Submission* consisting of:
  - (i) the *Technical Submission Information*; and
  - (ii) any additional information set out in the *Information Table*;

  - (iv) any additional information set out in the *Information Table*.
- (d) Prices set out in the Price Submission Form (Appendix C) must be inclusive of all applicable duties and taxes except GST which should be itemized separately where indicated. Prices submitted by *Proponents* should be in Canadian Dollars. Prices submitted in another currency will be converted to Canadian Dollars for the purposes of evaluation using the applicable Bank of Canada exchange closing rates on *Submission Deadline*.

## 5.2 Investigation by the Proponent

(1) *Proponents* are solely responsible for carefully examining all of the *RFP Documents*, and any maps, plans, drawings, and data referred to in the *RFP Documents* and are solely responsible for carefully examining the *Project Site*, the premises adjacent thereto and the access to the *Project Site*. Failure by a *Proponent* to do so will not be accepted as a basis for changes to the *Work* or extensions to any deadlines under the *Agreement*.

(2) *Proponents* will carry out all investigations necessary to inform themselves thoroughly as to the character and magnitude of the *Work*, the facilities for delivering, placing, and operating the necessary machinery and equipment and for delivering and handling products and equipment at the *Project Site*.

(3) *Proponents* will be responsible for informing themselves as to the conditions that may prevail at the location of the *Work* and work being carried out on nearby or adjacent locations that may affect the *Work*.

## 5.3 Consent of Surety

(1) Each *Proponent* must provide as part of its *Financial Submission* a *Consent of Surety* in the amount set out in the *Information Table* and on the form set out in Appendix E, or in a form containing equivalent obligations on the part of the surety company and the *Proponent*, executed under seal by a surety company satisfactory to *The City* and allowed by the laws of Alberta to issue bonds in Alberta. In lieu of a *Consent of Surety*, *The City* may, in its sole discretion, accept from a financial institution acceptable to *The City* one of the following:

- (a) a bank draft, certified cheque, irrevocable letter of credit, or guarantee, along with any additional documentation *The City* may require; or

- (b) a letter that a bank draft, certified cheque, irrevocable letter of credit, or guarantee will be provided upon the request of *The City*.
- (2) Failure by a *Proponent* to provide additional required documentation in accordance with Section 5.3(1) may result in *The City*, in its sole discretion, electing to discontinue consideration of the *Proponent's Proposal* in the *RFP Process*.

## Section 6 - EVALUATION, CLARIFICATION AND VERIFICATION OF PROPOSALS

### 6.1 Evaluation Committee and Advisors

(1) *The City* will establish an *Evaluation Committee*. *The City*, in its sole discretion, will determine the size, structure, and composition of the *Evaluation Committee*. The *Evaluation Committee* may be assisted by and receive advice from any of *The City's Advisors*, and any other employees or representatives of *The City* in any manner determined necessary or desirable by *The City*.

(2) If a member of the *Evaluation Committee* becomes unable to continue serving on the *Evaluation Committee* before the completion of a step in the evaluation process, the evaluation comments and scores of that individual, in respect of the uncompleted steps in the evaluation process only, will be ignored. Whether or not an *Evaluation Committee* member, in these circumstances, is replaced is in the sole discretion of *The City*.

### 6.2 Steps in the Evaluation Process

#### 6.2.1 Step 1 – Review of Proposal Contents

(1) *The City* will review each *Proposal* and will determine whether it complies with the submission requirements set out in Section 5.1.

(2) *Proponents* will be given an opportunity to rectify failures to properly deliver, and if applicable, execute, the following documents:

- (i) Proposal Submission Form (Appendix B);
- (ii) Proponent Team Declaration (Appendix D) (where applicable);
- (iii) Reference Form (Appendix F) (where applicable); and
- (iv) *Consent of Surety* or alternate form of security as required in Section 5.3(1).

(3) With respect to the Pricing Submission Form (Appendix C), rectification will be permitted and limited to the calculation of GST (where applicable), and where *The City*, in its sole discretion, determines a mathematical error exists on any unit pricing or cumulative pricing provided by the *Proponent* or where *The City* determines a transcription error exists.

(4) The *Rectification Period* will begin to run from the date and time that *The City* issues its rectification notice to the *Proponent*.

(5) At the end of the *Rectification Period*, *Proponents* that have failed to rectify deficiencies in accordance with Section 6.2.1(2) and (3) to the satisfaction of *The City* will be excluded from further consideration in the *RFP Process*. For clarity, other than rectification opportunities referred to in Section

6.2.1(2) and (3), *Proponents* will not be provided with any other opportunity to rectify deficiencies in their *Proposals*.

#### 6.2.2 Step 2 – Review of the Proposal Submission Forms

- (1) *The City* will review the Proposal Submission Form (Appendix B) to:
  - (a) ensure that there have been no changes to the *Prequalified Parties* from any *Prequalification Submissions*, and apply the provisions of Section 3.5; and
  - (b) assess the *Conflict of Interest* and *Confidential Information* section of the *Proposal Submission Form* and apply the provisions of Section 3.8.
- (2) *The City* may:
  - (a) require a *Proponent* to clarify or verify the contents of its *Proposal* or any statement made by the *Proponent*;
  - (b) require a *Proponent* to submit supplementary documentation clarifying or verifying any matters contained in its *Proposal*; and
  - (c) seek a *Proponent's* acknowledgement of *The City's* interpretation of the *Proposal* or any part of the *Proposal*.
- (3) *The City* is not obliged to seek clarification or verification of any aspect of a *Proposal* or any statement by a *Proponent*, including an ambiguity in a *Proposal* or in a statement made by a *Proponent*.
- (4) Any written information received by *The City* from a *Proponent* pursuant to a request for clarification or verification from *The City* as part of the *RFP Process* may, in *The City's* sole discretion, be considered part of the applicable *Proposal*.

#### 6.2.3 Step 3 – Review and Scoring of the Technical Submission

- (1) The *Evaluation Committee* will evaluate and score the *Technical Submission* using the evaluation criteria set out in Part 1 and Part 2 of *RFP Appendix G* in order to establish a *Technical Submission* score ("**Technical Submission Score**"). If a *Proponent* must receive a *Minimum Technical Submission Score* it will be set out in the *Information Table*.

#### 6.2.4 Step 4 – Review and Scoring of the Financial Submission

- (1) The *Evaluation Committee* will evaluate and score the *Financial Submission* in accordance with the evaluation process and evaluation criteria set out in Part 1 and Part 3 of *RFP Appendix G* and *RFP Appendix C*, as applicable, in order to establish a *Financial Submission* score ("**Financial Submission Score**"). For clarity, if a *Minimum Technical Score* is applicable to the *RFP Process*, *The City* will only evaluate and score the *Financial Submissions* of *Proponents* that have achieved the *Minimum Technical Score*.

#### 6.2.5 Step 5 – Establishing a Final Proposal Score

- (1) The *Evaluation Committee* will apply the weightings set out in the *Information Table* to the *Technical Submission Score* and *Financial Submission Score* in order to establish a final *Proposal* score.

### 6.2.6 Step 6 – Final Ranking of the Proponents

(1) The *Evaluation Committee* will rank the *Proponents* based on the final *Proposal* score.

(2) In the event of a tie in the final *Proposal* score between two *Proponents*, *The City* may, in its sole discretion, give the higher ranking to the *Proponent* with the higher *Financial Submission Score*.

## Section 7 - GENERAL EVALUATION AND DISQUALIFICATION PROVISIONS

### 7.1 Determining Compliance, Scoring and Ranking

(1) *The City* will, in its sole discretion, determine:

- (a) whether a *Proposal* has complied with the submission requirements;
- (b) the rankings of the *Proposals*; and
- (c) whether a *Proposal* or a *Proponent*:
  - (i) is disqualified; or
  - (ii) will cease to be considered in the evaluation process.

(2) *The City's* discretion in determining compliance, scores, and ranking, as well as disqualification of the *Proponents*, or *Proposals* is not limited or restricted in any way by the fact that a prequalification process preceded the *RFP Process*.

(3) *The City* has the right, at any time and in its sole discretion, to consider in the evaluation of the *Proposals* or in the exercise of any of *The City's* rights under the *RFP*:

- (a) any instances of poor performance by a *Proponent* or a *Proponent Team Member* that *The City* has experienced; and/or
- (b) any publicly available information about a *Proponent* or a *Proponent Team Member* that is, in *The City's* sole discretion, considered credible information.

### 7.2 Disqualification

(1) *The City* may, in its sole discretion, disqualify a *Proponent*, a *Proponent Team Member*, or a *Proposal*, or reverse its decision to identify a *Proponent* as a *Negotiations Proponent* or the *Successful Proponent*, as the case may be, at any time prior to the *Effective Date* if:

- (a) the *Proposal* is determined to be non-compliant pursuant to section 6.2.1;
- (b) the *Proponent* fails to cooperate in any attempt by *The City* to clarify or verify any information provided by the *Proponent* in its *Proposal* pursuant to section 6.2.2(2);
- (c) the *Proponent* contravenes Sections 3.3.2 or 3.3.3;
- (d) the *Proponent* fails to comply with *Applicable Law*;

- (e) the *Proposal* contains false or misleading information or a misrepresentation;
- (f) the *Proposal*, in the opinion of *The City*, reveals a material *Conflict of Interest* for which the *Proponent*, in accordance with Section 3.8:
  - (i) does not receive a waiver or consent from *The City*; or
  - (ii) fails to substitute the *Person* giving rise to the *Conflict of Interest*;
- (g) in the opinion of *The City*, acting reasonably, the *Proponent* or a *Proponent Team Member* or any of their respective representatives breached Section 3.3.4;
- (h) the *Proponent* or *Proponent Team Member* has committed a material breach of:
  - (i) any existing agreement between the *Proponent* and *The City*; or,
  - (ii) any other provision of the *RFP*;
- (i) *The City's* "Procurement Policy for a Party with a Dispute with The City" (FA-056 (A)) applies to the *Proponent* or a *Proponent Team Member*;
- (j) a *Proponent* or any *Proponent Team Member* or any director or officer of either a *Proponent* or *Proponent Team Member* has been convicted of an offence in connection with any goods and/or services rendered to *The City*;
- (k) there are any convictions related to inappropriate bidding practices or unethical behaviour by a *Proponent* or a *Proponent Team Member* or any of their *Affiliates* or any director or officer of either a *Proponent* or *Proponent Team Member* in relation to a public or broader public sector tender or procurement in any jurisdiction;
- (l) the *Proposal*, in the opinion of *The City*, contains unsustainable pricing;
- (m) in the 12 months prior to the *Submission Deadline*, *The City* became aware that the *Proponent* or *Proponent Team Member* failed to disclose an actual *Conflict of Interest* in the past or current procurement issued by *The City*, unless the *Proponent* has demonstrated to the satisfaction of *The City* that the *Proponent* has implemented measures to prevent future false or omitted disclosure of actual *Conflicts of Interests*; or
- (n) In the 12 months prior to the *Submission Deadline*, *The City* has taken action under section 12.4 of the *Standard General Conditions*.

## Section 8 - NEGOTIATIONS PROPONENT, SUCCESSFUL PROPONENT, AGREEMENT SUBMISSION AND EXECUTION

### 8.1 Identification of the Negotiations Proponent & Finalization of the Sample Contract Letter

(1) *The City* will determine the *First Negotiations Proponent* in accordance with the ranking established pursuant to Section 6.2.6. *The City* will notify the *First Negotiations Proponent* that it has been selected to enter into negotiations with *The City*. Following such notice, *The City* will make arrangements to commence negotiations with the *First Negotiations Proponent*. *The City* intends to conclude negotiations with the *First Negotiations Proponent* within 30 Days commencing from the date on which *The City* notified the *First Negotiations Proponent* pursuant to this Section 8.1(1). The *First Negotiations Proponent* should

therefore be prepared to provide requested information in a timely fashion and to conduct its negotiations expeditiously.

(2) If *The City* determines that it is unable to enter into an agreement with the *First Negotiations Proponent* within 30 Days commencing from the date on which *The City* notified the *First Negotiations Proponent* pursuant to Section 8.1(1), *The City* may, in its sole discretion, discontinue negotiations with the *First Negotiations Proponent* and *The City* may repeat the process set out in Section 8.1(1) with the next highest-ranked *Proponent*, in the order in which the *Proponents* are ranked pursuant to RFP Section 6.2.6, until:

- (a) *The City* has executed the *Finalized Contract Letter* with the *Successful Proponent*;
- (b) there are no more *Proponents* remaining that are eligible for negotiations; or
- (c) *The City* elects to cancel the *RFP Process*.

(3) *The City* and the *Negotiations Proponent(s)* may withdraw from negotiations at any time. The *Sample Contract Letter* will be the basis for negotiations.

(4) Notwithstanding anything else to the contrary in the *RFP Documents*:

- (a) *The City* may, in its sole discretion, enter into negotiations with one or more *Negotiations Proponent* concurrently for the purposes of finalizing the agreement; and
- (b) if *The City*, in its sole discretion, is of the opinion that a *Proponent* has submitted a price that is too low to be sustainable and to ensure the delivery of the services and completion of *Work* in accordance with the *Sample Contract Letter*, *The City* may decline to select that *Proponent* to be a *Negotiations Proponent*.

(5) Subject to Section 8.1(1), *The City* will determine whether to enter into an agreement with a *Negotiations Proponent* based on the best overall value, capabilities and availability of the *Negotiations Proponent*.

(6) *The City* reserves the right in its sole discretion to sub-divide and/or bundle the services that are the subject of the *RFP* and award one or any number of separate contracts for the services where the *Proposals* do not, in the view of *The City*, represent appropriate value for money.

(7) The negotiations conducted in accordance with this Section 8.1:

- (a) will not constitute a legally binding offer to enter into a contract on the part of *The City* or any *Proponent*; and
- (b) may include requests by *The City* for information from the *Negotiations Proponent* to verify, clarify or supplement the information provided in the *Negotiations Proponent's Proposal* or to confirm the conclusions reached in the evaluation, and may include requests by *The City* for an improved *Proposal* from the *Negotiations Proponent*.

## **8.2 Successful Proponent and Execution and Submission of Finalized Contract Letter and Documents**

(1) The *Finalized Contract Letter*, once executed, will form the agreement between the *Successful Proponent* and *The City*.

(2) The *Successful Proponent* must submit to *The City* the *Finalized Contract Letter* signed by the person legally authorized to bind the *Successful Proponent*.

(3) The *Successful Proponent* will be required to provide to *The City* further documentation as set out in the *Finalized Contract Letter*, particularly Schedule 1 - Standard General Conditions.

(4) *The City*, in its sole discretion, may require the *Successful Proponent* to authorize *The City* to conduct a credit check. In the event, that *The City*, acting reasonably, determines that the *Successful Proponent* does not meet *The City's* standard for credit worthiness, *The City* may decline to sign the *Finalized Contract Letter*.

## Section 9 - LEGAL MATTERS AND RIGHTS OF THE CITY

### 9.1 RFP Not a "Bidding Contract" or a Tender

(1) Notwithstanding any other provision of the *RFP*, the *RFP* is not a tender and is not an offer to enter into either a bidding contract (commonly referred to as "Contract A") or a contract to provide the services (commonly referred to as "Contract B"). Except as provided in Section 3.7 and Section 9.2, neither the *RFP* nor the submission of a *Proposal* by a *Proponent* will create any legal or contractual rights or obligations whatsoever for or on any of the *Proponent* or *The City*, as applicable. Except as provided in Section 3.7 and Section 9.2, no legal relationship or obligation of any kind whatsoever will be created between a *Proponent* and *The City* until the successful negotiation and execution of the *Finalized Contract Letter*.

(2) Without limiting the generality of Section 9.1(1), the following principles apply to the *RFP Process*:

- (a) *The City* may, in its sole discretion, change or discontinue the *RFP Process* at any time whatsoever;
- (b) *The City* may, in its sole discretion, decline to evaluate any *Proposal* that, in its sole discretion, is incomplete, obscure or does not contain sufficient information to carry out a reasonable evaluation;
- (c) *The City* may, in its sole discretion, enter into negotiations with any *Proponent*, *Person* or *Persons* with respect to the *Work* that is the subject of the *RFP*;
- (d) While a *Proponent* will likely be evaluated more favourably if its *Proposal* is in the format set out in Part 1 of Appendix G to the *RFP* and meets the requirements of the *RFP*, a *Proponent* is not obligated to comply with Part 1 of Appendix G to the *RFP* in order to have its *Proposal* evaluated by *The City*. For clarity, this principle applies whether or not the expressions "must" or "shall" are used to describe what is required of the *Proponents*;
- (e) *The City* may, in its sole discretion, request any supplementary information whatsoever from a *Proponent* after the *Submission Deadline*, including information that the *Proponent* could or should have submitted prior to the *Submission Deadline*, as applicable, (provided however, that *The City* is not obliged in any way whatsoever to request supplementary information from a *Proponent*);
- (f) while the pricing information provided is subject to the non-binding nature of the *RFP Process*, such information will be assessed during the evaluation of *Proposals* and accordingly, misleading or incomplete information, including withdrawn or altered pricing during contract negotiations, could adversely

impact any such evaluation or negotiations and result in the cessation of negotiations with that *Proponent*; and

- (g) *The City* may, in its sole discretion and at any time during the *RFP Process*:
- (ii) reject any or all of the *Proposals*;
  - (iii) accept any *Proposal*;
  - (iv) if only one *Proposal* is received, either elect to reject it or to enter into negotiations with the applicable *Proponent*;
  - (v) elect to discontinue the *RFP Process* at any time before the end of the *RFP Process*, including after the identification of a *Successful Proponent* but before the *Effective Date*;
  - (vi) elect not to proceed with the *RFP*;
  - (vii) alter the *Timetable*;
  - (viii) change the *RFP Process* or any other aspect of the *RFP Documents*; and
  - (ix) cancel the *RFP Process* and subsequently conduct another competitive process for the same services or *Work* that are the subject matter of the *RFP* or subsequently enter into negotiations with any *Person* with respect to the services or *Work* that are the subject matter of the *RFP*.

(3) For clarity, Sections 9.1(1) and 9.1(2) are not intended to limit the rights of *The City* or the *Proponents* to conduct themselves in accordance with the common law governing direct commercial negotiations in effect in accordance with the *Applicable Law*.

## 9.2 Limit on Liability

(1) Notwithstanding that, in accordance with *RFP* Section 9.1(1), the *RFP* is not a tender and is not intended to create "Contract A", each *Proponent* and all other *Persons* participating in the *RFP Process* agree that by participating if *The City* is found liable, in any way whatsoever, for any act or omission in respect of the *RFP Process*, the total liability of *The City* to any *Proponent*, *Proponent Team Member*, or any other *Person* participating in the *RFP Process*, and the aggregate amount of damages recoverable against *The City* for any matter relating to or arising from any act or omission, whether based upon an action or claim in contract, warranty, equity, negligence, intended conduct, or otherwise, including any action or claim arising from the acts or omissions, negligent or otherwise, of *The City* will be the lesser of either the *Proposal* preparation costs that the *Proponent* seeking damages from *The City* can demonstrate, or \$250,000.

## 9.3 The City's Liability for Proponent's Costs

### 9.3.1 General

(1) *The City* will not be liable for any expense, cost, loss, or damage incurred or suffered by any *Proponent*, any *Proponent Team Member*, any representative or any *Person* connected with any one of them, as a result of any action taken by *The City* in accordance with Section 9.1.

#### 9.4 Applicable Law and Attornment

(1) The *RFP* and the *Agreement* will be governed and construed in accordance with *Applicable Law*.

(2) By participating in the *RFP Process*, the *Proponent* agrees that:

- (a) any action or proceeding relating to the *RFP Process* must be brought in any court of competent jurisdiction in Alberta and for that purpose the *Proponent* irrevocably and unconditionally attorns and submits to the jurisdiction of that Alberta court;
- (b) it irrevocably waives any right to and will not oppose any Alberta action or proceeding relating to the *RFP Process* on any jurisdictional basis, including *forum non conveniens*; and
- (c) it will not oppose the enforcement against it, in any other jurisdiction, of any judgment or order duly obtained from an Alberta court as contemplated by this Section 9.4.

#### 9.5 Licenses, Permits, etc.

(1) If a *Proponent* is required by *Applicable Law* to hold or obtain a licence, permit, consent, or authorization to carry on an activity contemplated in its *Proposal* or in the *Sample Contract Letter* (including the schedules attached), neither acceptance of the *Proposal* nor execution of the *Finalized Contract Letter* by *The City* will be considered to be approval by *The City* of carrying on such activity without the requisite licence, permit, consent, or authorization and the *Proponent* will not undertake or perform any activity until it has obtained all licenses, permits, consents, or authorizations required under *Applicable Law* or the *Agreement*.

#### 9.6 Power of Municipal Council of The City

(1) *Proponents* are advised that no provision of the *RFP* (including a provision stating the intention of *The City*) is intended to operate, nor will any such provision have the effect of operating, in any way, so as to interfere with or otherwise fetter the discretion of *City Council* in the exercise of its statutory powers.

#### 9.7 Trade Agreements

(1) Where the *RFP Process* falls within the scope of applicable trade agreements, it is subject to those trade agreements; however, the rights and obligations of the parties are governed by the specific terms of the *RFP*.

### Section 10 - NOTIFICATION AND DEBRIEFING

(1) *The City* will formally notify:

- (a) at any time after the *Negotiations Proponent(s)* have been identified, the *Proponent(s)* who were not selected as *Negotiations Proponent(s)* that they were not successful in the *RFP Process*; and
- (b) the *Successful Proponent* and the unsuccessful *Negotiations Proponent(s)*, if any, as to their success or failure in the *RFP Process*.

(2) Following the *Effective Date*, at the request of an unsuccessful *Proponent*, *The City* may provide it with a debriefing.

(3) Unless otherwise set out in the *Contract Letter*, capitalized words and phrases used will have the same meanings as are ascribed to them in Schedules 1 to 6. When the words “will”, “must” or “shall” are used in the *Contract Letter*, they will be construed and interpreted as synonymous.

- (4) If the *Work*, or part of the *Work* (as applicable), passes one or more of the *Performance Tests*, *The City* will give notice acknowledging the success of the *Performance Test* to the *Contractor*.
- (5) If the *Work*, or part of the *Work* (as applicable), fails to meet one or more of the *Performance Tests*, *The City* will promptly provide notice of such failure to the *Contractor*, and *The City* may:
- (a) reject such *Work*, or part thereof, which has failed to pass the *Performance Test*; or
  - (b) conditionally accept such *Work*, or part thereof, on conditions which *The City* will state in the notice to the *Contractor*.
- (6) If the *Work*, or part of the *Work* (as applicable), fails one or more of the *Performance Tests*, then the *Contractor* will:

performance of the Contract and should payment be properly made, then this obligation shall be null and void; otherwise, this obligation and these conditions will remain in full force and effect, subject to the following conditions:

1. For the purpose of this bond:
  - (a) “claimant” means a person, including a body corporate, or a partnership, and the heirs, executors, administrators or other legal representatives of a person to whom the context can apply according to law, who has provided labour and material and who has not been paid for the same by the Principal or a subcontractor, in accordance with the Principal’s or subcontractor’s obligation to do so, provided that a person who rents equipment to the Principal or a subcontractor to be used in performance of the Contract under a contract which provides that all or a part of the rent is to be applied towards the purchase thereof, shall only be a claimant to the extent of the prevailing Obligee rental rates for the period during which the equipment was used in the performance of the Contract.
  - (b) “labour and material” means labour, equipment, materials or services used or reasonably required for use in the performance of the Contract.
  - (c) “services” means water, gas, electrical power, light, heat, oil, gasoline, steam, telephone, architectural, engineering and technical services, construction camp rental and catering, and other similar services, consumed or incurred, by the Principal or a subcontractor, at the Place of the Work and in the performance of the Work of the Contract.
  - (d) “subcontractor” means
    - (i) a person not contracting directly with the Obligee, but contracting with a contractor who holds a contract with the Obligee, for the provision of labour and materials, and
    - (ii) a person contracting with the first person mentioned in subclause (i) for the provision of labour and material.
2. The Surety acknowledges and agrees that Surety means a person who guarantees to the Obligee the payment of creditors.
3. The Principal and the Surety hereby jointly and severally agree with the Obligee, as Trustee, that every claimant who has not been paid as provided for under the terms of his contract with the principal or subcontractor before the expiration of a period of 90 days after the date on which the last of such claimant’s work or labour was done or performed or materials were furnished by such a claimant, may, as beneficiary of the trust herein provided for, sue on this Bond, prosecute the suit to final judgement for such sum or sums as may be justly due to such claimant under the terms of his contract with Principal or subcontractor, and have execution thereon; provided that the Obligee is not

obliged to do or take any act, action or proceeding against the Surety on behalf of any claimant to enforce the provisions of this Bond. If an act, action or proceeding is taken either in the name of the Obligee or by joining the Obligee as a party to such proceeding, then such act, action or proceeding shall be taken on the understanding and basis that the claimant who takes such act, action or proceeding shall indemnify and save harmless the Obligee against all costs, charges and expenses or liabilities incurred thereon and any loss or damage resulting to the Obligee by reason thereof; provided still further that, subject to the foregoing terms and conditions, a claimant may use the name of the Obligee to sue on and enforce the provisions of this Bond.

4. No suit or action shall be commenced pursuant to clause 3 hereof by any claimant unless such claimant shall give notice within the time limits hereinafter set forth, to each of the Principal, Surety and Obligee, stating the amount that is claimed. Such notice shall be served by mailing the same to Principal, Surety and Obligee at the addresses shown in this bond, or served in any manner in which legal process may be served in the Province of Alberta. Such notice shall be given:
  - (a) in respect of any claim for the amount or any portion thereof required to be held back from the claimant by the Principal or subcontractor under the terms of the claimant's contract with the Principal or subcontractor, within 120 days after such claimant should have been paid in full under the claimant's contract with the Principal or subcontractor.
  - (b) in respect of any claim other than for the holdback or portion thereof, referred to above, within 120 days after the date upon which such claimant did or performed the last of the work, or furnished the last materials for which such claim was made under the claimant's contract.
5. Any suit by a claimant under this Bond shall be instituted before the expiration of one (1) year from the date on which the Principal ceased work on the Contract, including work on the Contract, including work under the guarantees and warranties provided in the Contract, and shall be instituted in a court of competent jurisdiction in the Province of Alberta.
6. Upon receipt, at the address shown in this bond, by the Surety, of a notice of claim from a claimant, the Surety shall:
  - (a) immediately commence its investigation of the claim, and
  - (b) within fifteen (15) days, send, in writing, to the claimant and the Obligee, an acknowledgement of the notice of claim and a statement of the procedures to be followed by the claimant in order to attempt to settle the claim.

7. Pursuant to clause 6 hereof and following compliance with the procedures referred to in clause 6 and;
  - (a) providing the claim not being disputed, the Surety or the Principal, or both, shall make payment to the claimant within thirty (30) days after the date of agreement on the quantum of the claim; or
  - (b) in the event the claim is being disputed, the Surety or the Principal, or both, shall, within thirty (30) days, notify, in writing, the claimant and the Obligee of the dispute, setting out the grounds of dispute.
8. Any material change in the Contract between the Principal and the Obligee shall not prejudice the rights or interests of any claimant under this Bond, who is not instrumental in bringing about or has not caused such change.
9. The amount of this Bond shall be reduced by and to the extent of any payment or payments made in good faith, and in accordance with the provisions hereof, by the Surety.
10. Where the aggregate of claims appears to the Obligee to exceed the sum of the bond amount and money due and payable to the Principle, the Obligee and the Surety may agree to suspend payment until all claimants have substantiated their claims.
11. The Surety shall not be liable for a greater sum than the maximum amount specified in this Bond.

## C. TECHNICAL SUBMISSION EVALUATION

The *Technical Submission* will be evaluated and scored as follows:

- (i) An overall rating for each submission requirement described above will be assigned based on an overall 0 to 10 scale according to the defined evaluation criteria listed above.
- (ii) The score for each submission requirement will be determined by multiplying the rating by the weight assigned to that submission requirement. The sum of all scores will be the total score for the *Technical Submission*.
- (iii) The City reserves the right to reject any *Proposal* that receives a rating of zero (0) or one (1) on any criterion.

**APPENDIX G  
Part 3  
FINANCIAL SUBMISSION REQUIREMENTS**

**A. FINANCIAL SUBMISSION AND SUBMISSION REQUIREMENTS**

The *Financial Submission* must comprise of a fully complete Appendix C – Price Submission Form, and Consent of Surety or acceptable alternatives in accordance with Section 5.3(1) of the *RFP*.

**B. FINANCIAL SUBMISSION EVALUATION**

The *Financial Submission* will be evaluated as follows:

- 1. Price Submission Form – Part A** has a total possible score of \_\_\_\_\_ and will be evaluated using the following pricing formula:

$$\frac{\text{Lowest total price of all proposals}}{\text{Proposed price}} \times \text{_____} = \text{score}$$

**For example:** The lowest total price of all proposals is \$100.00 by Proponent ‘A’. If Proponent ‘B’ submits a price of \$125.00 then the evaluated for Proponent ‘B’ is:  
 $100 / 125 \times \text{_____} = \text{_____}$

- 2. Price Submission Form – Part B** will be evaluated and scored as follows:

- a. All *Proposals* will start with a score for this part of 5 out of 10;
- b. Scores may increase as follows:
  - i. From +1 to +3 points for additional “Benefits to *Project*”;
  - ii. +1 point for positive “Impact on *Price Submission*”;
  - iii. +1 point for positive “Impact on *Technical Specifications* and/or *Project Schedule*”.
- c. Scores may decrease as follows:
  - i. From -1 to -3 points for negative “Benefits to *Project*”;
  - ii. -1 point for negative “Impact on *Price Submission*”;
  - iii. -1 point for negative “Impact on *Technical Specifications* and/or *Project Schedule*”.
- d. Scores will then be multiplied by the weight assigned. The maximum score for this part is 10x \_\_\_\_\_ = \*maximum\_\_\_\_\_.

The sum of the scores for Part A and Part B will be the total score for the *Financial Submission*. These scores will be added to the evaluation table set out in RFP Appendix G, Part 1.
