What projects can I use the grant for?

Small actions can make big impacts. Our grants help residents take action towards building inclusive neighbourhoods. Below are the four categories the Neighbourhood Grant program will fund. We have provided some examples to help spark ideas, but please apply or reach out if you have other ideas or want to discuss.

Truth and Reconciliation

This means:

Land Acknowledgement

We encourage successful grant applicants to include a Treaty 7 Land Acknowledgment within their project. This can be done orally (i.e., at the beginning of your event) or on a poster board, depending on the project you are organizing.

Why:

A Land Acknowledgment is a statement recognizing the traditional territory of the Indigenous people who called the land home before the arrival of settlers and, in many cases, still call it home. It is an act of reconciliation. This is an opportunity to reflect on your relationship to land, time and community.

Below is an example of a Land Acknowledgement you can use or adapt. You can also share your personal reflection before the acknowledgement to fit your activity.

Calgary is located on the ancestral and traditional territory of the Blackfoot Confederacy, made up of the Siksika (Seeg-see-kah), Piikani (Bee-gun-nee), Amskaapipiikani (Om-Skaa-bee-bee-Gun-nee) and Kainai (G-ai-nah) First Nations; the Îethka Nakoda Wîcastabi (ee-YETH'-kah nah-COH'-dah WHISK'-ah-tah-bay) First Nations, comprised of the Chiniki (Chin-ick-ee), Bearspaw, and Goodstoney First Nations; and the Tsuut'ina (Soot-tenna) First Nation. The City of Calgary is also the homeland of the historic Northwest Métis and to the Otipemisiwak (Oti-pe-mes-se-wa) Métis Government, Métis Nation Battle River Territory (Nose Hill Métis District 5 and Elbow Métis District 6). We acknowledge all Indigenous people who have made Calgary their home.

We are thankful for the opportunity this sacred place provides us to engage in reconciliation and make life better every day for all who call Calgary home.

Honorarium

Honorariums are gestures of appreciation recognizing knowledge, expertise and lived experience. For your community events, you may require an Indigenous Elder or Cultural Leader to provide a traditional protocol such as an opening prayer, blessing or ceremony, a welcome to the territory or a closing ceremony. Please contact your community social worker for the recommended amounts.

Community social workers can cover honorariums for Elders and Knowledge Keepers through a separate budget to allow more funds for your project. For more information on protocols and connecting with Elders, please contact your community social worker for more details.

Frequently asked questions:

- **Can youth apply for the grant program?**
Yes. Youth can apply and lead the project in their community; however, funds must be overseen by someone who is 18 years of age.
- **Will the grant funds impact my income?**
No. Grant funds are not considered personal income and will not impact benefits such as AISH, income support or taxes.
- **Can a project be funded more than once?**
Yes. We know good ideas sometimes take time. Some grant projects can be funded more than once.
- **When do I have to complete my project?**
All projects must be completed by December 15th of the year you receive your grant.
- **Can I provide an honorarium to other residents helping with my project?**
The intention of the community grant is to promote volunteerism; however, it is important to recognize the time, energy, skills and commitment that volunteers contribute. We can recognize contributions and services residents provide through honorarium when appropriate. Honorariums are often given for the following services: musicians, artists or instructors facilitating or teaching; cultural performances, interpretation or guest speakers sharing a skill or cultural practice. If you would like to offer an honorarium, please discuss this with your community social worker.
