

IMMUNIZATIONS

It is your responsibility to meet the immunization requirements. These will be verified by the Wellness Center at the Conditional Job Offer (CJO) stage through required lab work.

- If you do not have proof of all required immunizations, you can request a Titer test be done through a physician.
- It can take time to acquire immunizations. Please take necessary steps immediately to ensure you meet the job requirements.
- You must have the following immunizations:

Immunities will be checked as a condition of employment and may be cause for rescinding a Conditional Job Offer and/or removal from the application process.
