What is the work?

Construction of 78 Avenue and Ogden Road between 25 Street S.E. and 27 Street S.E.

This is a phased project that requires partial closures of 78 Avenue S.E. to traffic and pedestrians, as well as the middle lanes of Ogden Road S.E., to ensure efficient, safe, and timely construction.

- **Stage 2 (July 29 to mid-August):**
 - Closure of the centre lanes of Ogden Road S.E. for traffic light installation. Left turns from 78 Ave to Ogden Road will not be possible as work is completed in the centre lanes. Two-way traffic will be maintained on Ogden Road S.E. Expect traffic and pedestrian detours, temporary Transit stop relocations, closure of crosswalk and reduced lanes and parking on Ogden Road S.E.
 - Closure of 78 Avenue S.E. from 27 Street S.E. east to rail embankment for asphalt removal. This will include the tapering of the south end of 27 Street to allow for local traffic, and the closure of the alleyway behind 27 Street S.E. 78 Ave S.E. from Ogden Road to 27 Street S.E. will be open to local traffic.
 - Sidewalk on south side of 78 Ave S.E. from Ogden Road to 27 Street will open. Sidewalk on north side of 78 Ave will remain closed.

Upcoming construction:

- **Stage 3 (mid August – late August):** Upgrades to 78 Avenue S.E. west of Ogden Road. Expect traffic and pedestrian detours, temporary Transit stop relocations, closure of crosswalk and reduced lanes and parking on Ogden Road S.E. More information will be shared.
- **Stage 4 (early September):** Expect full closure of the intersection of Ogden Road and 78 Avenue S.E. for approximately one week for paving, resulting in traffic, Transit, and pedestrian detours.
