Stage 2 Impacts

-  Sidewalk closures
-  Lane closures
-  Congestion and traffic delays
-  Construction noise

Legend

-  Impacted Area
-  Active Construction

Green Line LRT

What is the work?

Construction on 78 Avenue S.E. west of Ogden Road S.E.

This is a phased project that requires staggered closures of 78 Avenue S.E. to traffic and pedestrians to ensure efficient, safe, and timely construction.

- **Stage 3 (August 19 – late September):** Closure of 78 Avenue S.E. west of Ogden Road to 25 Street alleyway is necessary for catch basin installation, and the removal and replacement of road surface, sidewalks, and curbs. Expect traffic and pedestrian detours, temporary Transit stop relocations, closure of crosswalk and reduced lanes and parking on Ogden Road S.E.
- Closure of the west lane on Ogden Road S.E. for removal and replacement of road surface, sidewalks, curbs, and signal installation. Two-way traffic is maintained.

Upcoming construction:

- **Stage 4 (early October):** Expect full closure of the intersection of Ogden Road and 78 Avenue S.E. for approximately one week for paving, resulting in traffic, Transit, and pedestrian detours.

About Green Line LRT

The Green Line is Calgary's next light rail transit (LRT) line. With \$6.2 billion in commitments from the Government of Canada, Government of Alberta and City of Calgary, it is the largest infrastructure investment in our city's history.

The current work in Ogden is to support construction of the future Ogden LRT station.

Accessibility is a priority for Green Line. If you have concerns with accessing information or navigating around construction, please contact greenline@calgary.ca
