About Green Line LRT

The Green Line is Calgary's next light rail transit (LRT) line. With \$6.2 billion in commitments from the Government of Canada, Government of Alberta and City of Calgary, it is the largest infrastructure investment in our city's history.

The current work in Beltline and Downtown is part of the utility relocation program required to make way for Phase 1 construction from Lynnwood/Millican to Eau Claire.

Accessibility is a priority for Green Line. If you have concerns with accessing information or navigating around construction, please contact greenline@calgary.ca
