

Calgary

Let's save it, not waste it!

Calgary is in a water crisis, and every drop counts. We're doing our part; we thank you for doing yours too!

We've implemented a few changes to help conserve water and hope you can do the same.

Turn the faucet off
while washing your hands.

Thanks
for helping us
make every
drop count!

Scan the QR code
to see actions you
can take at home to
help protect our
city's water supply.
