

Public Notice

THE CITY OF CALGARY

ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT NOTICE OF APPLICATION

In accordance with the *Environmental Protection and Enhancement Act*, The City of Calgary has submitted application no. 014-19090 to Alberta Environment and Protected Areas for a renewal of the existing approval for construction, operation and reclamation of the East Calgary Waste Management Facility, which includes class II landfill cells; a compost facility; a landfill gas to energy facility as well as a hazardous waste and recyclables transfer station. The facility is located at 3801– 68th Street SE in the City of Calgary and covers approximately 347 hectares of land, including a portion or the entirety of the northwest quarter of Section 01-024-29-W4M; the northwest, northeast and southwest quarters of Section 02-024-29-W4M; the northeast, southwest and southeast quarters of Section 11-024-29-W4M and the southwest and northwest quarters of Section 12-024-29-W4M.

The City of Calgary has also submitted application no. 015-19090 to Alberta Environment and Protected Areas to increase the maximum designated waste elevation from 1078 metres above sea level to 1091 metres above sea level for the landfill cells in Phase 7 at the East Calgary Waste Management Facility.

A directly affected person may provide input into certain regulatory decisions, as allowed by the *Environmental Protection and Enhancement Act* (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas

Regulatory Assurance Section

Approvals Unit

5th floor, South Petroleum Plaza

9915 108 Street

Edmonton, Alberta T5K 2G8

Fax: 780-422-0154

Email: aep.epeaapplications@gov.ab.ca

The written statement of concern should include the following:

- the application number **014-19090** and/or **015-19090**
- describe concerns that are relevant to matters regulated by the *Environmental Protection and Enhancement Act*
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- Contact information including the full name and mailing address of the filer. Please provide the telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
