

This is my neighbourhood Saddle Ridge

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

Project overview

This is my neighbourhood is a program created for residents to partner with The City of Calgary to identify ways to make their neighbourhoods even better places to live, work and play.

In 2016, The City of Calgary delivered more than 100 programs, services and small-scale improvement projects to the first 14 neighbourhoods that participated in This is my neighbourhood. Some examples of the types of initiatives that resulted from the program included building a fit park, adding family-friendly Park n' Play programming options and developing pedestrian pathway maps.

The City is now working with 14 new neighbourhoods and the resulting improvement initiatives will be implemented in 2018.

Engagement overview

The engagement process began with each neighbourhood identifying a vision. Residents were asked what would make their community a better place to live, work and play. They were also asked about their priorities when it came to the vision words accessibility, active, beautiful, clean, connected, diverse, family-friendly, healthy, inclusive, safe and walkable. The input in this phase helped create a number of vision statements from which residents could vote on.

The vision for Saddle Ridge is ***Saddle Ridge values being clean, litter-free and well-maintained with walkable streets that are safe for children, and being beautiful with trees and flowers in their neighbourhood.***

The next step involved community participants and City staff attending workshops to creative ideas (programs, services and small-scale infrastructure improvements) that support their neighbourhood vision.

In the third and final phase of engagement, The City proposed a number of initiatives based on the creative ideas from Step 2 and asked for feedback to help prioritize those initiatives.

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

This report back covers what we heard from participants regarding proposed initiatives for the Saddle Ridge community through an online survey. The survey was available on the [This is my neighbourhood Engage page](https://engage.calgary.ca/myNeighbourhood/saddleridge) (<https://engage.calgary.ca/myNeighbourhood/saddleridge>) from March 19 to April 2, 2018. The survey was promoted online and through the email distribution list.

We received 74 submissions for the Saddle Ridge community initiatives.

What we asked

Saddle Ridge residents were presented with nine different initiatives and asked how they felt each initiative would impact their community. Participants were able to choose if they felt the initiative would have a *low impact*, *medium impact* or *high impact*.

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

What we heard

Below is a summary of how participants rated the 9 initiatives overall as having either a *low impact*, *medium impact* or *high impact*.

While the total number of submissions was 74, the number of responses for each initiative varied as all questions were optional. The summary below is based on the percentage of respondents who selected *high impact* for each initiative.

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

The following describes the detailed responses for each of the 9 initiatives.

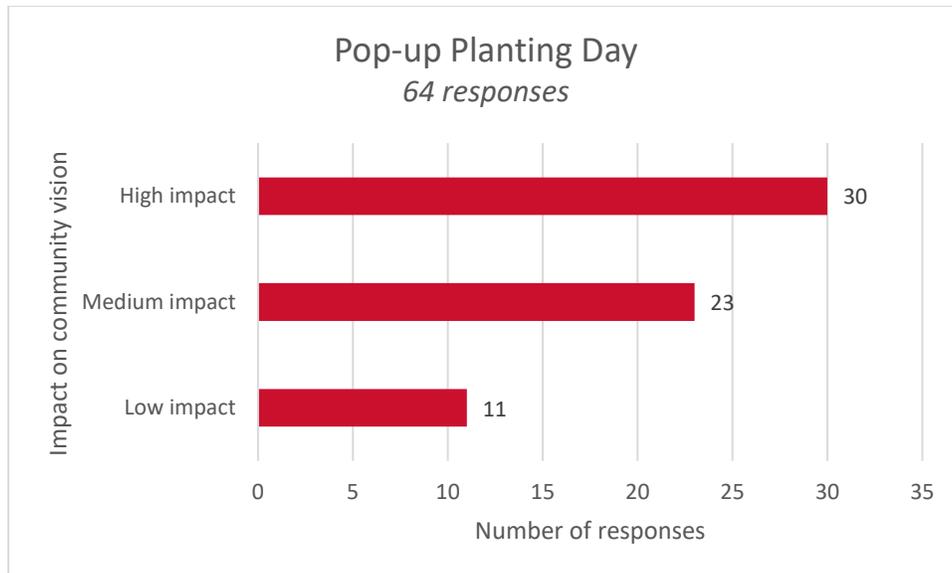

1. Pop-up planting day

Pop-up planting in smaller green spaces through the community to increase beautification and neighbourhood pride. We would need community support to make this initiative happen. If you would be interested in volunteering to help, be sure to answer the Volunteering question below and make sure you've signed up for email updates.

Projected costs: \$4,000 - \$7,000

1a) What impact do you feel this initiative would have on the vision for your neighbourhood?

High impact was chosen most often, with 30 out of 34 participants (47%) indicating this initiative would have a high impact on the community vision. 11 participants (17%) felt that it would have a low impact.

Initiatives Prioritization Online Survey, April 16, 2018

2. Pond clean up

Clean up the green space adjacent to the ponds to increase beautification and neighbourhood pride. An educational component will also be included on the importance of storm water ponds, the benefits and uses of the ponds and the natural wildlife that rely on the ponds.

Projected cost: \$2,000 - \$5,000

What impact do you feel this initiative would have in your neighbourhood?

This was the highest-rated initiative, with 43 out of 67 participants (64%) indicating this initiative would have a high impact on the vision for Saddle Ridge. Only 10 participants (15%) felt it would have a low impact.

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

4. Saddle Ridge “chopped” challenge and food event

A recipe exchange and food event including a “chopped” challenge for children and adults to learn about different cuisine and foods. We would need community support to make this initiative happen. If you would be interested in volunteering to help, be sure to answer the Volunteering question below and make sure you've signed up for email updates.

Projected costs: \$1,000 - \$2,500

4a) What impact do you feel this initiative would have on the vision for your neighbourhood?

High impact was chosen most often, with 25 out of 65 participants (38%) indicating this initiative would have a high impact on the community vision for Saddle Ridge, while 21 participants (32%) felt it would have a low impact.

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

6. Neighbourhood language signs

Saddle Ridge is home to a diverse population with many languages spoken. Neighbourhood language signs could help to bridge the gap in communication. Words could include: Hello, Please, Thank You, etc. This can help neighbours to get to know each other and feel connected to their community.

Projected cost: \$1,000 - \$5,000

6a) What impact do you feel this initiative would have on the vision for your neighbourhood?

High impact was chosen most often, with 29 out of 64 participants (45%) indicating this initiative would have a high impact on the community vision, while 21 participants (33%) felt it would have a low impact.

6b) What words would you like to see on these signs?

Verbatim comments can be found on [page 17](#).

6c) Where would you like to see these signs?

Verbatim comments can be found on [page 17](#).

Stakeholder Report Back: What We Heard
Initiatives Prioritization Online Survey, April 16, 2018

7. Saddle Ridge Community Association communication plan

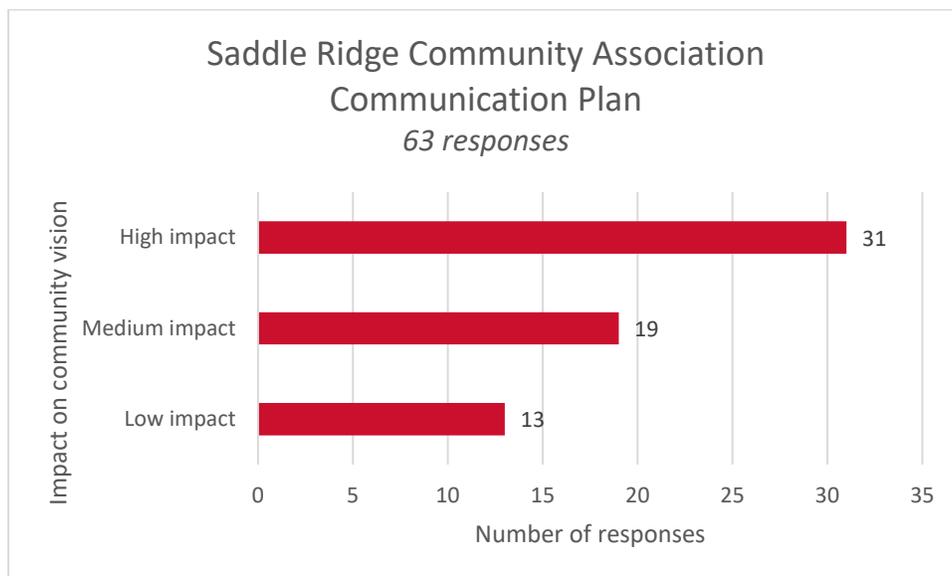

The development of a communication plan for the neighbourhood will allow for residents to be better informed and engaged. This can result in more connections between the community association and residents for better delivery of programs and services.

This would be subject to the commitment from the Community Association to support the development and implementation of the plan.

Projected cost: \$5,000 - \$10,000

What impact do you feel this initiative would have on the vision for your neighbourhood?

High impact was chosen most often, with 31 out of 63 participants (49%) indicating this initiative would have a high impact on the community vision for Abbeydale, while 13 participants (21%) felt it would have a low impact.
